In Dedication

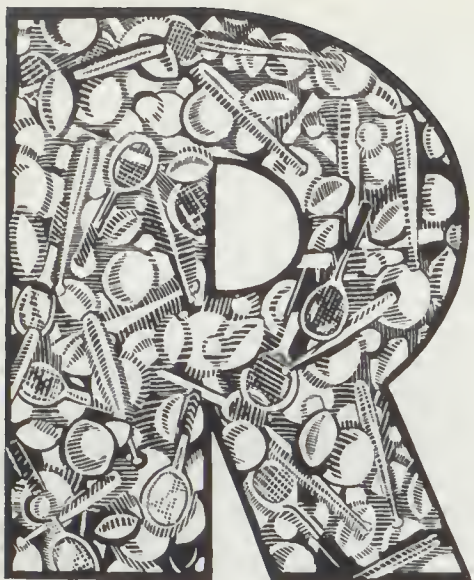

Almost everyone, at some time, comes into contact with someone who makes life a little easier and better. Then, unexpectedly, that someone is gone, and there is nothing left but a dark emptiness. Mr. Jelinek was that kind of man.

He was a helping hand when things got rough. When a guy had troubles which were just too much for him to handle by himself, Mr. Jelinek was there with a word of encouragement and understanding.

John Jelinek was born in Spokane in 1923. He began his education at Regal Elementary School and later attended Rogers. John Jelinek made a name for himself in many school activities. It is a credit to Spokane and its schools that such a man as John Jelinek should have chosen Rogers as a place to live and work. He came, and he went, and he left a mark while passing through which will never be erased.

It is said that a man's greatness may be measured by the number of his friends. If this is true, then John Jelinek was a truly great man.

In Memoriam

Randall L. Dempsey

Randall Lee Dempsey, Buzz to his many friends, was born May 28, 1949, in Spokane, Washington.

Buzz attended Lidgerwood and Hamilton Elementary schools before coming to Rogers as a freshman.

On the morning of January 28, 1967, after the Inaugural Ball at Rogers, a car raced through a red light at an intersection and claimed the life of this young man for whom the future held much promise.

Why did it have to be? This is the unanswered question that confronts many of us. One thing is certain, in his short stay Buzz made life more meaningful for those who knew him. Through his interest in other people and his sincere determination, Buzz gained many close friends.

June 4, 1967, when the Rogers Class of 1967 marches down the aisle of the Coliseum to end one phase of life and begin another, the memory of Randall (Buzz) Dempsey will be among them. Memory of such a tragedy places a great deal of importance on the future, for each of us must learn to live each day to the fullest, strengthening our own future plans.

Pirate Football Team Finishes in a Strong Second

Rogers' 1966 varsity football team, under the very able direction of coaches Larry Coleman, Fred M. Brown, and Perry A. Morton, was one of the best teams that the school has fielded in the last several years. Among several highlights of the season were a photo-finish defeat of North Central, 10-7, involving a last minute field goal kicked by Mark Kondo which made the difference and a last minute loss to Gonzaga Prep, whom the Pirates had led most of the game.

The Pirates finished in second place, fighting for the title most of the season. Several Pirates made the Chronicle and Review All-City football teams. Juniors on the team showed exceptional promise, and 1967 should be an exciting year in football for Rogers.

Girls' Athletic Association

Purpose of the Girls' Athletic Association is to help promote an interest in athletics and to maintain through team competition a spirit of friendship and good sportsmanship among its members. Sports organizations offer more than just the fun that comes through participation.

A variety of experiences must be provided in order to meet the broad purposes of education. Opportunities must be available for youth to select activities, pursue specialized interests, and learn to live and work democratically with others.

There's plenty of action in Girls' Sports!

It's time out.

This year marked the eighth year since John Rogers fielded its first City-League wrestling team. The program has progressed by leaps and bounds; time was when we had a match at Rogers and one could almost count the fans on the fingers of both hands.

Today we need temporary stands to seat the overflow crowds that attend a John Rogers Pirate wrestling match. The Pirates compete against other City-League wrestling teams.

This year saw the John R. Rogers Wrestling Team share the City-League title with North Central and Shadle Park wrestling teams, and reach one of their main goals—to produce a state wrestling champion. They exceeded that objective by producing two champions of the “Evergreen State”—Brad Davis and Mark Kondo. Tom Sparley, defeated only by the state champion; Mike McFadden, from Kennewick High School, added a third place, and Bob Drov Dahl produced one State Tournament win to lead the Pirates to their first State tournament showing with a fourth place finish, a third place sub-district win and a second place District showing.

The progress and success of the wrestling program is a result of the increasing number of boys who are turning out each year, boys who have the desire to learn, to sacrifice and to continue the winning spirit and tradition that has been established during the past four years by a fine group of seniors. These senior performers have exhibited total desire, character, selflessness, and sacrifice, true Rogers spirit.

Bob Drov Dahl, Brad Davis, Tom Sparley, Steve Miller, and Len Allen emulate traditions set before them by such previous Rogers Pirates as Naccarato, Danzer, Race, Sands, Kenworthy and Gamble. They now pass these traditions on to another group. Will they be equal to the challenge? Will they bring back the coveted prize?

John Rogers went into the 1966-67 basketball season with high hopes for a good year. Four of last year's starting squad as well as a seasoned second team returned. These high hopes seemed to be realized as Rogers won all of its pre-season games.

Going into one of the toughest city leagues in several years, the Pirates seemed unable to get a winning streak started.

Although the win-loss record does not show it, the team always gave a one hundred percent effort in all the games. The starting five in most games were: Doug Hansen, Tom Hiccox, Bill Heisler, Don Henthorn, and Ray Paxton. Many seasoned juniors will return next year, along with members of the champion B-squad team.

Mr. Louis John Puthoff, a member of the custodial staff at Rogers for four years, passed away Sunday, March 26, 1967. He was a hard worker, and his absence will be felt by all who knew and worked with him. He was liked by both students and co-workers.

Mr. Puthoff was born in Chewelah, Washington, but spent the last six years in Spokane.

He is survived by his wife Margaret, at home; two daughters, Mrs. Eugene Murphy and Mrs. Bernice Cole; three sisters; three brothers and three grandsons.

AWAY

I cannot say, and I will not say
That he is dead! He is just away!

With a cheery smile, and a wave of the hand,
He has wandered into an unknown land.

And left us dreaming how very fair
It must be, since he lingers there.

And you — oh you, who the wildest yearn
For the old-time step and the glad return —

Think of him faring on, as dear
In the love of There as the love of Here;

Mild and gentle as he was brave —
When the sweetest love of his life he gave

To simple things: — where the violets grew
Pure as the eyes they were likened to.

The touches of his hands have strayed
As reverently as his lips have prayed.

Think of him still as the same, I say;
He is not dead — he is just away!

Dedication Characterizes Faculty

Edith Brizendine

Attendance Clerk

Dedicated to promoting education, the Rogers faculty reigns.

Reaching beyond the task of the academic, members of the faculty make many contributions toward the personal growth of each student they contact.

The faculty is constantly working as a unit for future improvements in the educational-developmental structure of John Rogers.

After working in data processing, Mrs. Brizendine came to Rogers to replace Mrs. Welch as attendance clerk.

Coming from Fort Collins, Colorado, Mrs. Brizendine has resided in Spokane since 1947. She stated, "At Rogers I enjoy the challenge of working with the students."

"... making a list, checking it twice ..."

PARDON US,

We'd like to depart just once from the usual messages we print in our advertising space. Instead of talk about the utility service we supply, may we speak briefly of our sincere interest in the students and young people of this area.

Time passes rapidly and you will move from the learning to the doing stage. The community and the nation will depend on you for much --- you are the future.

Congratulations and best wishes from the men and women of
